8th INTERNATIONAL SEMINAR TROPICAL SWINE PRODUCTION 2019

Havana, Cuba on May 27-31, 2019.

SECOND ANNOUNCEMENT

The Swine Research Institute (IIP), the Cuban Society of Swine Producers (SCP), the Cuban Association of Animal Production (ACPA) and the Livestock Enterprise Group (GEGAN), of the Ministry of Agriculture of Cuba, have great pleasure in inviting you to participate in the 8th International Seminar on Tropical Swine Production, will take place in Havana, Cuba on May 27-31, 2019.

Under the slogan "Sustainability in tropical swine production," this Seminar is directed to researchers, university professors, producers, students and executives and officials of different organizations and companies, who will analyze the situation of swine production in the region and possibilities to make it more efficient and competitive.

The scientific program includes lectures, workshops, panel discussions, videos, and oral and poster presentations, as well as satellite courses and a technological tour to promote Cuban experiences.

MAIN TOPICS

Food production and alternative feeding.
Environment. Renewable sources of energy in pig farming.
Genetics and reproduction.
Health and animal welfare.
Classical Swine Fever.
Small scale family swine production.
Economics of swine production.
Health and prophylaxis.
Harmlessness of food and quality of pork meat.
Management of Science, Technology and Innovation.
Computing, publications and communication.
Extensionim.

CONTACTS

Swine Research Institute

Telephone numbers: (53) (7) 279-3545/ 279-3890
E-mail: porcicultura2019@gmail.com /
ralmaquer@iip.co.cu / porcicultura2019@iip.co.cu

REGISTRATION FEE

Registration fee for delegates must be paid in Cuban convertible pesos (CUC), which can be obtained at airports, hotels, Convention Centers or CADECAs.

Delegates: 250 CUC.
Undergraduate students: 200 CUC.

Registration fee for delegates includes card, participation in scientific activities, welcome cocktail, farewell lunch, scientific program, participation certificate and memoirs of the meeting. The technological tour and courses will be paid at the time of registration.

ACCEPTANCE OF PAPERS

A four-page summary should be sent before March 1st, 2019.

Full papers for publication in the Computerized Journal of Swine Production (RCPP) should be sent before April 1st, 2019

OFFICIAL LANGUAGES

Spanish, Portuguese, French and English

PRESENTATION OF PAPERS

A summary of four pages maximum, in 12 point Arial font, single spaced, 8½x11 format and margins of 2.5 cm on each side, using 7.0 Word text processor or

higher should be sent by e-mail. The text will be composed of a title, a maximum of five authors with full name and surname, institution, postal and e-mail addresses, fax and a summary (250 words maximum), introduction, materials and methods, main results and discussion, conclusions and bibliographic references (maximum of eight). Charts and images must be included in the text. Papers should be submitted directly by e-mail to contacts to the Organizing Committee.

Authors wishing to publish their works on the Computerized Journal of Swine Production (RCPP) should send their full papers according to the editorial standards of the journal, available at: <http://www.iip.co.cu/RCPP/Inicios.html>

DIDACTIC-TOURIST TOUR S

- Technological tour: "Integrated systems of swine Production", May 30th, 2019
- Technological tour: "Wastewater treatment and use of renewable energy in swine production", May 30th, 2019

VENUE

National Hotel of Cuba
